History of the Program

The concept of a Scholarship program for the participants of the Wilderness Rendezvous came about as the result of a bequest in Memory of Scouter Gerald Miller. Scouter Gerald was a long-time supporter of WR and a firm believer in continuing education. He spent much of his time at camp working with the youth to enhance their outdoor skills. When Scouter Al Torgerson had Gone Home a further bequest from his passing, Al was another long-term Scouter and a strong supporter of the camp. The staff of WR feels that the scholarship is a way for Gerald and Al's work to continue even though they have Gone Home. WR envisions the Scholarship to encourage younger staff members to return to the camp each summer, thus giving WR the continuity to continue to grow the program and maintain the balance between the old and the new. The program began in 2015 and is part of Wilderness Rendezvous' ongoing legacy for many years. The spirit of the Scholarship is intended for younger Scouting members beginning their post-secondary education.

Scholarship Funding

This program is funded in part by the endowed funds from Gerald and Al, as well as an allocation from the Wilderness Rendezvous general account or the Gone Home Fund.
